## Bed and Breakfast for sale

In Småland, a Swedish province of 5000 lakes, you will find our B&B, situated in the Kingdom of Crystal, one of the most popular tourism areas in Sweden (an area which is also short of tourist accommodation alternatives).

Our house hosts 14 spacious guest-rooms (30-40 beds), shared bathrooms and toilets, a fully equipped breakfast-room/café and three kitchens for self-catering. It also has a garden of 2,100 square meters for BBQ and leisure.

During our years, we have increased the turnover every year, much by offering different packages, and still there is much more to do and develop.

Everything is up and running and a new owner has plenty of time to prepare for the summer-season.

The price includes all – furnishing, machines, web pages, other marketing material etc.

## Karloskar festival

In Växjö, the capital of Kronoberg County, the annual Karloskar-dagar (Karloskar festival) will be held in summer 2009. The festival is a mix of music, drama, eating and drinking – to be concise: a time for a convivial time together. You can stroll in the centre of the town, listen to music and have a nice meal in some of the many good restaurants in the neighborhood. And, since the weather usually is pleasant at this time of the year, you can do most of the activities outdoors. So, the dates to remember is August 7-9.

## Horse property in Östingstorp, Nybro

With open views of pastures and meadows, this carefully renovated place is a dream! The farm includes the manor house, guesthouse, farm buildings and arable and pasture (5.2 ha).

The farm is located in the Kristvalla parish, Nybro, and proximity to Nybro (20 km) and Kalmar (30 km) gives the property a unique opportunity to combine an active daily life with leisure of peace and quiet. ## Businesses for sale in Mönsterås

Many locally owned businesses and stores are looking for a new owner, most often because the present owner is reaching the pension age. An engine import warehouse, a fashion store for teen girls, a bar / restaurant on the main street, a restaurant at the coast near Oknö (the largest holiday area of the region) and a giftshop with an extensive collection for hobby and embroidery are among those.

Work in Southeast Sweden and take your bike home for lunch break.

## Oskarshamn

Oskarshamn is a small harbour town with 26.000 inhabitants, characterised by a strong energy and industry sector. So far, we not only managed to maintain the lowest unemployment figure in the county, but also proved to be able to grow our business sector, however the financial crisis! In the near future we especially welcome small firms and traders to help us expand our business sector further more. Yet Oskarshamn is more than a working town; it even offers your family a wonderful place to live in. Here you are: one of the worlds most beautiful archipelago's at your disposal! Where on earth can you treat your kids on an after work picnic on one of its 5000 desert islands?

## Hultsfred

Hultsfred is a quiet and safe place with a lot to offer both young and old. A varied scenery with many lakes provides exciting activities, calm and relaxation. Sports, music and culture are also popular. Hultsfredsfestivalen, held yearly, is Sweden's biggest meeting place for young music fans.

While the manufacturing industry has always played a big part, in recent years trade and service companies have increased in number. A growing number of educational programs, covering subjects including music, healthcare and media, and two upper secondary schools, one specialising in healthcare and one in music, have ensured that Hultsfred has become an attractive place to live.

We have room for individuals, initiatives and ideas.

You get noticed in Hultsfred!

## Mönsterås

Mönsterås is located on the Baltic coast, halfway Kalmar and Oskarshamn. With 13.000 inhabitants in 5 villages, it provides excellent conditions for sailing, fishing and bathing, with the most sun-hours and least rain during the summer. That's quality of life. Mönsterås is one of the best business communities in Sweden. Forest industry and ceramics operate side by side with high-end small scale industries and IT consultants. Storgatan in Mönsterås is a flourishing shopping area in a cultural environment: the small town with the large choice. A fine old trading tradition with a wide variety of locally owned stores.
